**RE: Class II Permissive Change Letter**

For Industrial Booster **ION-U EU L 17EP/17EP**  
**FCC ID: XS5-UEUL17E17E**

Certified under FCC Rule Part 27 / Equipment Class: Part 20 Industrial Booster (CMRS)/  
Granted on May 16, 2018 by PHOENIX TESTLAB GmbH.

To whom it may concern:

This authorization covers the Class II Permissive Change application for the following changes:

- No Hardware change
- No Software change

The reason for this C2PC is to extend the existing Grant for MIMO application of the ION-U EU L 17EP/17EP in conjunction with the Remote Units ION-U L 7/80-85/17EP/19P (**FCC-ID: XS5-U7885L17E19P**). This change does not affect the FCC part 27 operation because of no hardware/software change.

Best Regards / Mit freundlichen Grüßen
