

## Cover Letter

Dear FCC,

On behalf of Tether Technologies, Inc., Product Creation Studio is submitting this application for the certification of Tether Technologies' Model TTV2-Belt, FCC ID: Y7P-TTV2-BELT. The Model TTV2-Belt is a key monitoring system for use in private security, janitorial services and commercial building management environments. It is battery operated and contains a 2.4GHz radio. The Model TTV2-Belt is seeking authorization under FCC 15.247.

The radio utilizes ceramic chip antennas soldered to the PCB. This configuration satisfies the requirements of 47 CFR 15.203.

The receiver portion of this radio transceiver has been verified to FCC 15B.

The technical reports and exhibits demonstrate compliance with FCC rules 47 CFR 15.247.

Your efforts in reviewing this application are greatly appreciated.

Best regards,

Matt Darval
