**Overview**

This application is for the approval of a Voice Remote Control device, model RXT9000-18XXE, FCC ID: YOURXT9000-18XXE. The device operates under FCC Rule part 15.247 as a digital transmission system. The product is classified as a portable device for RF exposure evaluation but, because of the low output power of the device, it is exempt from routine SAR evaluation.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

No short term confidentiality requested.

**Recommendation**

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
