

Product Similarity Declaration

Product name: Power Over Ethernet Injector

Model name: GS-POE30W-MG , GS-POE15W-MG

FCC ID: YZZGSPOE30WMG

We, Grandstream Networks, Inc., hereby state that all the models are electrical identical including the same software parameter and hardware design (i.e., circuit design, PCB Layout, components on PCB, etc.), same mechanical structure and design (including product enclosure, materials, etc.), the only difference is the model name and the protocol chip/supporting circuits of Power over Ethernet.

Demonstrate the details (descriptions and pictures) as to the difference list above.

- The PSEMK3614A is used for GS-POE30W-MG.
- The AS2101AP is used for GS-POE15W-MG.
