

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a wooden table in a test chamber. On the table are two small black devices. A power strip with multiple outlets is on the table, and a power cord is connected to one of the outlets. The background shows the interior of a test chamber with a metal frame and some equipment on the floor.	 A photograph showing a side view of the conducted emissions test setup. It shows a wooden table with a power strip and a power cord. The background shows the interior of a test chamber with a metal frame and some equipment on the floor.
Conducted Emissions Test Setup Front View	Conducted Emissions Test Setup Side View
 A photograph showing a test setup inside a large anechoic chamber. The setup is on a white reflective table. A red crosshair is overlaid on the image, indicating the center of the test area. The background is the interior of the anechoic chamber with its characteristic curved absorber panels.	 A photograph showing a test setup inside a large anechoic chamber. The setup is on a white reflective table. A clear plastic enclosure is used to shield the test equipment. The background is the interior of the anechoic chamber with its characteristic curved absorber panels.
